After years of experience playing the "best" tower defense game, I have learned one thing...
Splash damage towers suck, so I'll only bring high damage single target ONLY!
And also Level 4 and 5 farms suck in TDS, so I only spam Level 3 Farms in TB
Bruh WTF?!
Round Beginning...
I hope this is good placement!
This is the ultimate defense! It should last until Wave 40!!
That's an unusual amount of speedies...
Uhh.. boss..? I think we need splash...
Nah! Just keep shooting at them and we will do just fine!
No, we are gonna die you dumbass!!!
Wait, you're SENDING me SPEEDIES!?
Yea, good luck!!

TOWER BATTLES #9

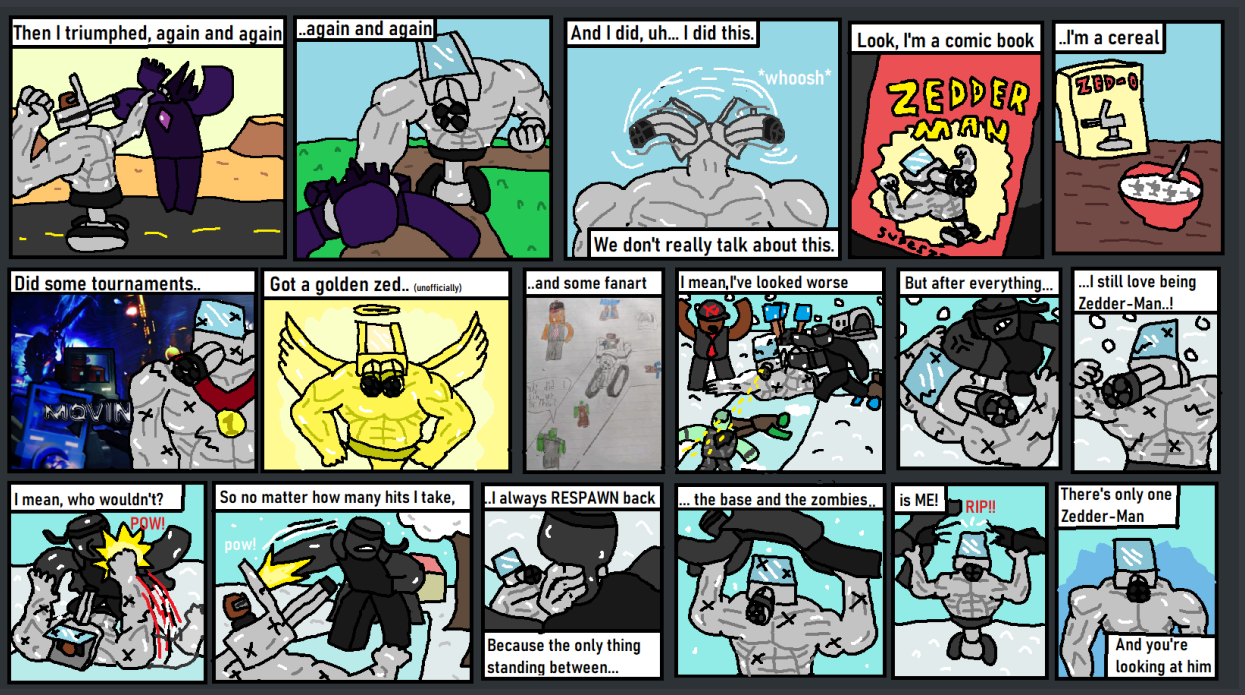
Alright people, let's do this one last time..
ZEDDER MAN
My name is Zedder Parker
I was bitten by a radioactive cta
And for the last 10 years..
I have been the one and only
ZEDDER-MAN
I'm pretty sure you know the rest..
What a day..
With great zedding, comes with great responsibility..
You see I killed some senders
Fell in love...



Then I triumphed, again and again
..again and again
And I did, uh... I did this.
whoosh
We don't really talk about this.
Look, I'm a comic book
ZEDDER MAN
..I'm a cereal
ZED-O
Did some tournaments..
MOVIN
Got a golden zed.. (unofficially)
..and some fanart
I mean,I've looked worse
But after everything...
...I still love being Zedder-Man..!
I mean, who wouldn't?
POW!
So no matter how many hits I take,
pow!
..I always RESPAWN back
Because the only thing standing between...
... the base and the zombies..
is ME!
RIP!!
There's only one Zedder-Man
And you're looking at him
